Dear Sir:

I have a very old coin
I place for sale. I man of old coin
knowledge told me it was ^{worth}
near the \$500⁰⁰ mark. I don't
want to keep it any longer. It
has been handed down throu' ances-
tors and now I place it for sale

I am writing to the
curator of Coins at the Capital
to find this coins History. Now
I would like a word from you
if you could give me an estimate
I could then insure it & send
it to you for inspection.

I am told this is an Egyptian
coin

Respectfully yours
Mr. E. A. Mc^{re} Guinnis
